Slim Fit Vintage Distressed Motorcycle Jeans for Men

Brief but Rather Complicated. Our jeans are both practicality and fashion, so whether on weekdays or weekends, it provides a good choice for people.

The fine details of the basis of high-quality. At any time Details First always keeps in our mind, so we strictly control every process of jeans production.

Differ from straight leg, tapered leg easily elongate the legs to the maximum and beautify leg curve in the visible.

Rolling up of the leg may have unexpected effects when wearing.

Carving craft buttons and delicate fine teeth zipper.

Neat car line technology individual manual-ripped design.

Comfy, with soft fabrics in rich textures. It is fadeless and pilling resistance.
